About

Da quasi 15 anni ho la fortuna di lavorare in contesti orientati al web, agli eCommerce e alle integrazioni di servizi, argomenti che mi appassionano fortemente.
Ho avuto modo di studiare e approfondire i diversi punti della catena che porta all'efficienza e al successo di una piattaforma di vendita, grazie al funzionamento

ottimale del complesso ecosistema di servizi integrati e comunicanti che la costituiscono.

Received   Given

Michele Paiano · 1st
Senior Software Developer
June 15, 2025, Michele reported directly to Fabio

Working with Fabio was a great experience. He's not only excellent at managing people and bringing out their best, but also has strong technical skills that make him a valuable reference point for the whole team.

Fabio creates a positive and productive environment where people feel supported, and his mix of leadership and technical expertise really stands out. He's someone you can always rely on.

Emanuele Gian · 1st
Tech lead - Senior Backend Developer / Magento Developer / Electronic Maker
January 23, 2017, Emanuele worked with Fabio on the same team

Fabio is a very skilled web developer, with frontend and backend, and plus he has a good knowledge about DevOps operations. With him there a are a lot of things to learn!
